Punto 7

A screenshot of a Windows command prompt window. The title bar at the top shows the file path "C:\WINDOWS\system32\cmd." followed by a close button (X) and a dropdown menu with a plus sign and a downward arrow. The window has standard Windows window controls (minimize, maximize, close) on the right side. The command prompt itself is black with white text. The first line shows the command "D:\gitpracticaflow>git diff main..develop". The second line shows the prompt "D:\gitpracticaflow>" again, indicating the command has been executed and the output is not visible in the screenshot.

```
D:\gitpracticaflow>git diff main..develop
D:\gitpracticaflow>
```
